Citizen Architect: Samuel Mockbee and the Spirit of the Rural Studio

CCA Cinematheque
1050 Old Pecos Trail, Santa Fe
7:30p Tuesday, June 1

Follow the legendary architect Samuel Mockbee, and his radical educational design/build program known as the Rural Studio, as he constructs an innovative home for a charismatic soul musician in one of America's poorest regions. Inspirational, insightful and deeply relevant, *Citizen Architect* is more than a biography: it opens a larger discussion of architecture's role in issues of poverty, class, race, education, social change and citizenship.
